NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1*, *2*, &c., &c.; to describe particularly the disability, wound, or disease the extent of which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1280 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

Co. (B) 13th Reg. Vol. Infy.

R. 140.

FINAL STATEMENT

of
Joseph H. Lewis late
13th Regt of Kentucky Vols, Infy.
Co. B
 VOLUNTEERS. Nov. 14, 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The duplicate to be given back to the Soldier by the Paymaster; the latter to be retained as his voucher the duplicate certificate.

NOTE 2.—If the Soldier is entitled ~~to~~ **AND CASHED BY** the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landworn must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

The Late Daniel F. Marcum has been a good Soldier before and during his absence. Did participate in several battles was wounded July 20th 1864 near Atlanta Ga while in action.

REMARKS.

Deserted Feb 10th 1863 Returned to his Co. & Regt June 10th 1863 Restored to duty without trial with stoppage of all pay and allowances while absent and to make the same time good after the expiration of his Original Enlistment By Order of Brig Genl H. M. Judah

NOTES.

1. The amount of any extra pay for which the soldier may be mustered, or, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
2. In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
3. Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
4. In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
5. A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
6. Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received, in action, or other injury, whilst in the line of his duty.
7. If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
8. When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Dept.
9. Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
10. Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. Their pay commences on the day they report for duty under their summons from the Provost Marshal, which date should be noted on the first Muster Roll, under the heading of "Remarks." On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a substitute, when enlisted; (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted;) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
11. A separate descriptive list should, as a general rule, be given for each man.
12. Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

October 14th 1864

Sir

I have this day received the enclosed
order and obeyed it. I am now of opin-
ion after reflection that I should have
refused to obey it. This case has been a
good deal of trouble to me. I have been
requested from various sources to allow this
man (John Peyton Recruit) to leave from
Hospital to a Private House - as I have
been in numerous cases heretofore in all
of which I have invariably refused. Every
effort is made by Patients and friends to
evade the Regulations in order to have
sick in the Hospital taken home - or get
discharge. On the 9th of this month after a re-
fusal by me to allow Pvt. Daniel J. Mancum
Co E. 13th Ky. Inf. in this Hospital with
acute Rheumatism to go to his home
he left the Hospital and I am in-
formed obtained at Post Hospital
a leave or furlough for 45 days and
has I believe gone home. I regard this
man therefore as a deserter. Officers do
not seem inclined to assist the Surgeon
in the maintenance of discipline

a man in Hospital wants to be allowed to
go home for a few days I inform
him I have no power to allow it and am
then beset by verbal and written requests
from all quarters to allow it my only
answer is "I can not I have no power"
Then leave the Hospital for their compan-
ies and their officers allow them to re-
main in camp I have to apply to the
-gas for order to have the man returned
to the Hospital, It almost now amounts
to nothing for the Surgeon in charge
of the Hospital to refuse to allow a
Soldier to go home. I enclose a copy
a letter received requesting me to allow
this man Peyton leave the Hospital
on my declining to do so I received
the encure enclosed

I am Sir

Very respectfully

My ever obedient servant

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier, who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is then given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—Amount due the Soldier and Landrum must be entered on the Master Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

State of Kentucky County of Green

I hereby declare on oath that I have carefully examined Henry Martin a private of Capt. Thompson's Company (late Capt. Jones) A. 13th Regt Kentucky Volunteer Infantry. That he is laboring under Great General debility from protracted disease. That sometimes such calls him Contracted measles - after being sick for eight or ten days he becomes convalescent & he rejoined his Regiment he was immediately sent to the hospital having taken Cold. Soon afterwards he became affected with disease of his spine attended with very great nervous agitation which made it very difficult for said Martin to be kept in bed. He became very much emaciated from which he has not yet recovered. He shows great feebleness & want of strength in every way and I see no reason to hope that he will be able to attend to the duties of a Soldier for the next year to come.

I have seen and given Medical attention to this Soldier on various occasions during the past six months.

Given under my hand &c

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to do so, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

FINAL STATEMENT

OF
William H. Mayfield Co (7)
13th Reg't of Kentucky Inf
6-16

VOLUNTEERS.

Disch. July 28, 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutter and Landrum must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF

Sergeant W. E. H. McLaughlin

131st Reg't of Kentucky

VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Landrean must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

With reference to the
matters mentioned in the enclosed letter from
Col J. G. Hobson - signed to me for explanation
I can only say that Dr C. D. Moore surprised
me very much in the evening of the 12th Inst
by sending me an Order from the Secretary of
War dismissing him from the service of the United
States of which the enclosed is a copy. I ordered
Surgeon Robert L. Hosler 27th Ky Vol - and Contr-
act Surgeon - Turner - in company with Dr
Moore to invoice all stores and property in the
Hospital here which was done yesterday - with
Report in detail of the condition of the Hospital
a copy of which will ^{be} returned to me, and forwa-
rded to the Medical Director - ~~I think~~ everyone
was much surprised at the Receipt of the Order

assessing him ^{person} as the efficient management
of the Hospital at this post under his charge as
well as the high professional character has in-
-ferred by Dr. W. give the strongest proof
of his worth as a Surgeon - I know nothing
of the cause of his dismissal nor from whence
the reports proceeded upon which the order
is founded. It is therefore impossible for me
to explain - I would Respectfully suggest the
propriety, as a matter of Justice to Dr. Moore,
that a court of inquiry be provided for him
if Possible

Before Atlanta Ga.
August 12-1864,

Respectfully forwarded.
Approved. Upon personal
examination of this officer
& most strongly recommend-
ed as necessary to retain
the services of this most
efficient officer for the
rest of the Campaign of
Washington. Aug. 11th 1864
Sur. Gen. 2^d Div. 2^d A.C.

Head Quarters Army of the Ohio,
Medical Inspector's Office,

Wagon, Santa Fe, Dec 11, 1861

I received a letter from Mr. [Name] dated [Date],
applying for a certificate in which to certify
the application of [Name] of [Name], [Name],
and that I have carefully examined the
Officer, and find that he is suffering from
Syphilitic Diarrhea of six weeks standing, and
that, on account of very defective teeth, he is
unable to masticate properly, the food he obtains
in the field, which interferes with digestion, and
in consequence the proper nutrition of the
body, and that in consequence thereof, he is
in my opinion unfit for duty.

I further declare in belief, that he will not
be able to resume his duties in a less period
than 10 to 15 days, and that a course of medicine
is necessary to save life or prevent permanent
disability.

I was enrolled as an enlisted man in Company G. 13th Regiment Kentucky Infantry Volunteers by Capt J. R. H. Caldwell on the 25th day of September 1861 and was mustered into the Service of the United States as an enlisted man (Sergeant) December 31st 1861 by Capt J. M. Kellogg U. S. A.

I was last mustered for pay as an enlisted man (Sergeant) February 29th 1862 and last paid to include December 31st 1863 by Major Geo. B. Campbell

I was commissioned as a Captain by the Governor of Kentucky, the date of the Commission being April 11th 1864 which was received and accepted by me, April 26th 1864. I entered upon duty as such April 26th 1864, by virtue of said Commission, a vacancy existing in said grade of Captain in Company G. Same Regiment caused by the resignation of Captain J. R. H. Caldwell

I have never been paid as a commissioned Officer the reasons why I have not been discharged and mustered at an earlier date are as follows, My command was

I CERTIFY, ON HONOR, That I have carefully examined the above named Volunteer, agreeably to
the General Regulations of the Army, and that in my opinion he is free from all bodily defects and mental

NOTES.

- 1..The amount of any extra pay for which the soldier may be mustered, as, for, as Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount due him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped, must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful settlement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

[A. G. O. No. 93.]

- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

- 9..Where a soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*; and under the heading "When Mustered in," will be given the date when the soldier was drafted; under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by COMMISSIONED officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of

Robert Brown & Co. Office
Memphis Tenn. Aug. 28th 1870.

I have the honor to acknowledge the receipt
of the murder of Mr. John Murray the son of
Mr. J. H. Murray.

John Murray was a resident of
Bondy. Office & while on his way home, stopped, on
about the evening of the 18th Inst. with David Carver
who lives about three (3) miles above the mouth of Lynn
Creek on the north side of Green River in Green
County Ky, during the night a party of some twenty
men dressed in citizens clothes, came to
the house of Mr. Carver & took Matthew Murray from his
bed to a place near the residence of his brother
Benjamin Murray in Metcalf County, where they
shot him through the head leaving his body in
a sink hole in the woods.

The body was found by a son of Geo. Black &
another boy while out hunting.

A coroner's jury was impaneled & Benj. Murray
brother of the murdered man & one of the jury, identified
the body.

The party was conducted to the house of Carver
& to lay Matthew whom they found to sit as they said
near the mouth of Lynn Creek.

...information from David Davis &
...of Green Co. N.Y. James Reid Sheriff
...Co. & from Benjamin Murray & Geo. Cho
...of Dutchess Co. in the vicinity of New Paltz
...I have been entirely unsuccessful in trying
...to get some clue as to who the perpetrators were, or
...where they were.

Information that Murray was in Davis' house
...it have been given by some one, as he had been
...there but a few hours.

I am very respectfully
Yours &c. &c. &c.

Due U. S. for Clothing over drawn 10 $\frac{79}{100}$ dollars

NOTES.

- 1..The amount of any extra pay for which the soldier may be mustered, on account of Acting Hospital Steward, as Saddler, &c., and which may be still due him, must be carefully noted.
- 2..In the column headed "BOUNTY PAID," must be entered the whole amount actually paid him; in that of "BOUNTY DUE," the whole amount yet due him. Bounty paid by State authorities, and not by the United States, will not be entered on this statement.
- 3..Stoppages for loss or damage done to arms, or other public property, must be noted, and the articles, and particular damage to each, specified. When stoppages are due, under sentence of a Court Martial, a transcript of the same must be entered here; and the amount already stopped must be carefully stated.
- 4..In every case of desertion, the date, and that of delivery, or apprehension, must be given, together with a correct transcript of the order of sentence or pardon.
- 5..A careful statement of the man's CLOTHING ACCOUNT must be made, to date, and the amount DUE TO, or FROM him must be precisely stated.
- 6..Should the man have been engaged in any action or skirmish, it must be mentioned, together with date and place. A full and particular mention will be made of any wounds he may have received in action, or other injury, whilst in the line of his duty.

[A. G. O. No. 93.]

- 7..If the soldier is entitled to pay for the use of his horse, the company commander will certify to that fact on this list, and also to the time he has pay due for having been so mounted on his own horse.
- 8..When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 1st Auditor of the Treasury D-p't.
- 9..Where a soldier dies in Hospital or on detached service, his descriptive

- list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.
- 10..Men drafted will be considered as mustered in from the date of their draft, and will be mustered for pay on the usual rolls for Volunteers. On the same line as the soldier's name, under the heading "Joined for Duty and Enrolled.—Commencement of First Payment by Time," will be written the word *drafted*, or *substitute*, as the case may be; and under the heading "When Mustered in," will be given the date when the soldier was drafted, or, if a *substitute*, when enlisted, (substitutes, under the Enrollment Act, are mustered in by enlistment;) under "Where Mustered in," will be given the place from which drafted, (or if a substitute, where enlisted,) under the heading "By whom Mustered in," will be given the No. of the Enrollment District from which he was drafted, and the State to which it belongs, thus: 4th D. Mass.; (meaning 4th Enrollment District, State of Massachusetts.) Or if a substitute, the name of the officer enlisting him. (When enlisted by Board of Enrollment, the name of the Provost Marshal of the Enrollment District.)
- 11..A separate descriptive list should, as a general rule, be given for each man.
- 12..Descriptive lists must, in all cases, be signed by commissioned officers; not by enlisted men acting as such.

I CERTIFY that the above is a correct transcript from the Records of *Co. A. 13th Ky*

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier," after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1240 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

VOLUNTEERS.

Disch Dec 26, 1863

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commanding officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwren must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise they cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.
